NOTES TO STUDENTS

1. Familiarize yourselves with the groups in which you have been registered and taught in [the Group will also appear on the Exam Card] because in most instances the examination venues have been based on such groups. This is to avoid students being in the wrong venue even though it might be the same examination.
2. On each examination room's door will be a notice to candidates reminding the candidates of the general rules on conduct in the examination room during exams. Please read carefully and understand.
