NOTES TO STUDENTS.

1. We have scheduled at most one exam per day per class group, so ideally there should not be any clash of ordinary exams.
2. We have spaced out the units with a day in between to allow for some flexibility.
3. Familiarize yourselves with the groups in which you have been registered and taught in [the Group will also appear on the Exam Card because in most instances the examination venues have been based on such groups. This is to avoid students being in the wrong venue even though the exam is the same.
