NOTES TO STUDENTS

1. We have scheduled at most one exam per day per class group, so ideally there should not be any clash of ordinary exams.
2. As a general rule, where a clash between a Retake/Special and an Ordinary exam cannot be resolved, the ordinary exam shall take priority.
3. Familiarize yourselves with the groups in which you have been registered and taught in [the Group will also appear on the Exam Card] because in most instances the examination venues have been based on such groups. This is to avoid students being in the wrong venue even though the examination is the same.
