NOTES TO STUDENTS

1. We have scheduled at most one exam per day per class group, so ideally there should not be any clash of ordinary exams.
2. As a general rule, where a clash between a Retake/Special and an Ordinary exam cannot be resolved, the ordinary exam shall take priority.
3. Familiarize yourselves with the groups in which you have been registered and taught in [the Group will also appear on the Exam Card because in most instances the examination venues have been based on such groups. This is to avoid students being in a wrong venue even though the examination is the same.
4. Kindly adhere to the Ministry of Health COVID -19 protocols as well as related University regulations.

Wednesday, 16th February 2022.
