## NOTES TO STUDENTS

1. We have scheduled at most one exam per day per class group, so ideally there should not be any clash of ordinary exams.
2. However, when you report a clash of any type (involving a Retake/Special, or a Repeat with an Ordinary exam), please indicate the other units you are registered to assist in resolving the clash.
3. As a general rule, where a clash between a Retake/Special and an Ordinary exam cannot be resolved, the ordinary exam shall take priority.
4. Familiarize yourselves with the groups in which you have been registered and taught in [the Group will also appear on the Exam Card because in most instances the examination venues have been based on such groups. This is to avoid students being in the wrong venue even though the same examination.
5. Examination venues will be included in the final draft of the timetable once all the feedback has been considered and changes made.
6. The deadline for submission of any feedback from this draft is on **Friday 5<sup>th</sup> October 2018.**

**Issued:**

**Monday, 1<sup>st</sup> October 2018**

**University Examinations Coordinator**
