## NOTES TO STUDENTS

1. We have scheduled at most one exam per day per class group, so ideally there should not be any clash of ordinary exams.
2. As a general rule, where a clash between a Retake/Special and an Ordinary exam cannot be resolved, the ordinary exam shall take priority.
3. Familiarize yourselves with the groups in which you have been registered and taught in [the Group will also appear on the Exam Card] because in most instances the examination venues have been based on such groups. This is to avoid students being in the wrong venue even though the examination is the same.
4. Examination venues will be included in the final draft (Draft 3) of the timetable once all the feedback has been considered and changes made.
5. The deadline for submission of any feedback from this draft is on **Friday 14<sup>th</sup> September 2018.**

**Issued:**

**Friday, 7<sup>th</sup> September 2018**  
**University Examinations Coordinator**
